

OSTERTANGO 2020

You are in our hearts

We would like you to join us – the “Spontaneous Support Committee Clarahof” - in a campaign for donations for the Tango Teachers, DJ's, DJanes, Musicians and Hosts who wanted to celebrate EasterTango 2020 with us!

Dear friends of the Tango!

"EasterTango 2020 will unfortunately only take place in our hearts this year" wrote Cécile Sidler and Romeo Orsini on 16 March 2020, when they had to cancel the 21st Easter Tango Festival.

The lockdown has hit those who have dedicated their life to tango especially hard. The economic existence of many is threatened. **A few days ago it became clear that OsterTango 2020 would not receive any compensation from the Canton of Basel-City.**

We would like to set an example:
YOU ARE IN OUR HEARTS

Today we are calling for donations for the organisers and artists of the 21st OsterTango Festival. They have given us much happiness and joy in the last years and decades. We would like to compensate them at least in part for the missing income and additional costs. We want to tell them: "We know that the Covid pandemic has hit you especially hard. We are thinking of you".

Half of the proceeds will go to the artists, and half to the Tango Schule Basel. In this way we all contribute to the support of Tango, and the continuation of OsterTango. And we will be able to celebrate OsterTango 2021 together!
